

## BJR Chain and Engineering Supplies Devonport Open 2013

The BJR Chain and Engineering Supplies Devonport Open Squash Tournament for 2013 was another resounding success. Local, Matt Creely, used his athleticism to take the fight up to Paul Tuffin, reaching 8 all in the third set but Paul's court craft and experience prevailed and he won in straight sets.

The Open winner received \$800 and the runner-up \$350. Winners in all other divisions took home \$250. See the table below for the full list of winners.

The Devonport Squash Club extends grateful thanks to all our sponsors. Their contributions enabled the generous prizes and undoubtedly made this tournament the success it was.
